

## Facility Construction Project Photos – December 2023

#2016 ARCO AREA WATER AND SEWER EXTENSION (49% - APRIL 2024)

1. Robert Lindsay (UWS Crew Member) is working with the USIC Utility locator to identify the proposed work and discuss where the existing gas line is located along the intersection of 7<sup>th</sup> Street and Burroughs Avenue.
2. Drone view of the ongoing construction activities – final paving completed along 9<sup>th</sup> Street, Hill Street, & 10<sup>th</sup> Street, and two water tie-ins completed at 7<sup>th</sup> Street and Townsend Street.
